SUBJECT: CONSTITUTION PARTY OF VIRGINIA ENDORSES LIBERTARIAN PARTY CANDIDATE MATT WATERS FOR US SENATE

With the prospect of Virginians having a choice between a Hillary Clinton Surrogate in Senator Tim Kaine who represents the Democrat Party or a Donald Trump Surrogate and the leader of the Alt-Right in Virginia, Corey Stewart which would be a RUBBER STAMP for Donald Trump, that is like having a choice between Hillary Clinton and Donald Trump again. To help promote a Constitutional Alternative the Constitution Party of Virginia's State Central Committee UNANIMOUSLY voted to endorse Libertarian Party candidate **Matt Waters** for US Senate. A vote for Mr. Waters is a vote for LIBERTY and the US CONSTITUTION.

The Democrat Party represents DEMOCRATIC SOCIALISM, while the Republican Party NOW represents NATIONAL SOCIALISM. All those that voted for EW Jackson or Nick Freitas because they represented the US Constitution, join with the Libertarian and Constitution Party in supporting Matt Waters for US Senate. John Bloom the Chairman of the Constitution Party of Virginia issues this statement in regard to the endorsement of Matt waters.

"It is time all Americans to place the US Constitution above that of any political party, and that is why I support the only candidate for US Senate that will protect and defend the Constitution of the United States and stop this reckless UNCONSTITUTIONAL federal spending, that is over \$21 Trillion. Mr. Waters is also 100% Pro-Life and the Libertarian Party does not support state funding of abortion as well as state funding to any private organization, and that includes Planned Parenthood.

As a former US Naval Officer stationed onboard the USS JOHN F. KENNEDY (CV-67) I had the pleasure of watching President Ronald Reagan, relight the torch of the Statue of Liberty. Looking back at that event I know what really made AMERICA GREAT, the US CONSTITUTION and America's willingness to accept immigrants and in many cases, WITHOUT PAPERS. Those immigrants that came to America, like Albert Einstein and Enrico Fermi to name a few, is what led to America's Greatness. The words on the plaque on the Statue of Liberty read, "Give me your tired, your poor, Your huddled masses yearning to breathe free, The wretched refuse of your teeming shore. Send these, the homeless, tempest-tossed to me, I lift my lamp beside the golden door!" Virginia started the fight for Liberty in 1776, by proposing a Resolution for Independence, Virginia can NOW relight the torch of liberty again in America and can start by electing Matt Waters for US Senate."
