

Constitution Party of Virginia Attends Faith and Freedom Coalition Conference

June 9, 2018

The Constitution Party of Virginia and the Constitution Party of Maryland helped sponsor the Faith and Freedom Coalition "Road to Majority" conference, June 7th-9th at the Omni Shorham Hotel in Washington, DC. John Bloom of Virginia and Michael Bertocchi of Maryland manned the Constitution Party table in the exhibit hall and spoke with people at the conference.

Several officials from the Current Administration and congressmen of the Federal Government addressed the conference, and Vice President Mike Pence delivered the keynote address.

The Faith and Freedom Coalition has tremendous influence with our national, state, and local governments. A majority of attendees who came to the Constitution Party table knew about our party and many knew Constitution Party Southern States Regional Co-Chairman Ricardo Davis. A number of people from Virginia showed an interest in the Constitution Party, and we will be making an effort to contact them and to see how they can work with us in our efforts to grow the party, put Constitutionists on ballots for public office, and win elections.
