SUBJECT: CONSTITUTION PARTY OF VIRGINIA CHAIRMAN CALLS ON ALL NEVER TRUMP CONSERVATIVES TO STAND UP TO TRUMP IN HIS CITY OF NEWPORT NEWS ON FRIDAY SEPTEMBER 25th, 2020

Constitution Party of Virginia Chairman John Bloom invited the Democratic Nominee for President and Vice-President Joe Biden and Senator Kamala Harris to visit his City of Newport News, where ALL lives matter, including Black Lives and Blue Lives. Mr. Bloom invited them to participate in a Community walk with Newport News Police and Residents; it is Donald Trump that will visit Newport News. Though Mr. Bloom extended that offer for September 17th, Constitution Day, that invitation still stands and requests that Vice President Biden and Senator Harris would have a Community Walk just prior to Donald Trump's arrival at 9 PM and have a counter rally adjacent to the airport. Mt Bloom, would like to show Mr. Biden and Ms. Harris Where a black man was gunned down two houses from where he lives, by another black man. If BLACK Lives Matter, then BLUE Lives have to matter to protect Black Lives.

Mr. Bloom will be organizing a "Save Our Republic" Rally where all those that still believe in America's Constitutional , that includes Constitutional Republicans, Constitution Party, Libertarian Party, Democrats and Republicans for Biden will be united against the greatest threat to America's Constitutional Republic, Donald Trump and CRASH Donald Trump's Rally. Those interested in participating in this event contact Mr. Bloom at (757)806-8694.

On Saturday Modern Day Pharisee Franklin Graham, will have a "Prayer March" in DC, though Mr. Bloom is a devout Christian, he questions the legitimacy of the event. Mr. Bloom has this to say to Mr. Graham, "From the Bible, John 8:44 reads as follows "You belong to your father, the devil, and you want to carry out your father's desires. He was a murderer from the beginning, not holding to the truth, for there is no truth in him. When he lies, he speaks his native language, for he is a liar and the father of lies." To Mr. Graham and all other "Christians" that plan on voting for Donald Trump, I ask, "If Satan is the FATHER of LIES; does that make Donald Trump his SON?" All REAL Christians who would never sacrifice their salvation for Donald Trump, to boycott and stay away from that Trump event, disguised as a Prayer event.

"BAD LAWS ARE
THE WORST SORT OF
TYRANNY"

Constitution Day

I live in Newport News where in 2012 an unarmed Black man, Corey Moody, was shot by Newport News police and paralyzed, and where in 2015 another Black man, Kawanza Jamal Beaty, carrying a sawed-off shotgun, according to police, was shot and killed by Newport News police. No protest and civil unrest such as in Portland and Wisconsin occurred.

In Newport News, I participated in marches organized by Black organizations when Black people were killed by other Black people. One young Black man was killed at a gas station one-eighth of a mile from my house. I was the one white person in the march, sponsored by the local Southern Christian Leadership Conference (Martin Luther King Jr.'s organization). After the march was over a Black woman gave me a hug, just for caring to be there. I was there because in Newport News Black lives matter.

Then early this year, before coronavirus, a white policewoman, Katie Thyne, was dragged by a vehicle, driven by a Black man, to her death. There was no protest, but there was a vigil for the slain police officer because in Newport News blue lives matter too.

I also walked with members of the Newport News Police Department last year in a community walk because in Newport News all lives matter. I would like to extend an offer to Democratic presidential nominee Joe Biden and Democratic vice presidential nominee Sen. Kamala Harris to visit Newport News and have another community walk with members of Newport News to promote an "All Lives Matter" movement. I would recommend Sept. 17, Constitution Day. The Constitution will bring all Americans together and bring an end to the racial violence across the country.
