**SUBJECT: THE TIME HAS COME TO SEPARATE THE REAGAN REPUBLICANS FROM THE TRUMPLICANS**

Many people who considered themselves to be Republican left the Republican Party because of Donald Trump who transformed the Party of President Ronald Reagan into the Party of Trump, which is now the Republican in Name Only Party. These people are NEVER TRUMPERS and call themselves EX-GOP, like the Chairman of the Constitution Party of Virginia, John Bloom. There are others that still consider themselves Republican and determined that Joe Biden was the lesser of the TWO-EVILS, like former Ted Cruz Presidential Campaign Chairman, Rick Tyler. Though they consider themselves NEVER TRUMPERS also, they believe the Republican Party can be reformed after Donald Trump leaves the Office of President of the United States. This group includes Evan McMullen and the group he and Mindy Finn established as a counter to "Trumpism", "STAND UP REPUBLIC" who were committed to vote for Joe Biden to remove Donald Trump from office and make him a one term President.

It should be obvious to all Donald Trump owns the Republican Party and is not going to go away. The TIME has come at least in VIRGINIA, to separate the President Ronald Reagan Republicans from the TRUMPLICANS. In Virginia, there is a NEVER TRUMPER Constitutional Party that is dedicated to bringing Reagan Democrats, Independents and Republicans, back together, that is the Constitution Party of Virginia. Chairman Bloom already congratulated President-Elect Joe Biden for defeating President-REJECT Donald Trump.

Mr. Bloom extends an offer to Reagan Democrats, Independents and Republicans to join the Constitution Party of Virginia. Virginia has NOT turned BLUE, it is a NEVER TRUMPER STATE and most Virginians have pledged their loyalty to the Constitution of the United States and the Constitution of the Commonwealth of Virginia, NOT to Donald Trump. Republicans have not won a statewide race in Virginia since 2009, and stand no chance of winning any statewide race, including Governor, in 2021, however the Constitution Party of Virginia offers hope for the future, if NON-TRUMPLICAN Republicans leave the GOP and join the CPV in Virginia.

The Donald Trump Statue toppled by the American People in the fair election of 2020, like the Statue of Dictator Vladimir Lenin toppled by the Ukrainian people after they too were freed from Russia's control too.
