SUBJECT: THIS SENATE IMPEACHMENT TRIAL OF DONALD TRUMP MUST HAVE WITNESSES AND THE STAR WITNESS FOR THE PROSECUTION MUST BE MIKE PENCE

When the Republicans controlled the Senate during the FIRST Impeachment Trial of Donald Trump, they made a MOCKARY of an Impeachment Trial, and did not have any WITNESSES. It was a SHAM and a DISGRACE. Now with the Democrats controlling the Senate, these same Republicans are again pushing to NOT have any witnesses and try and force the Democrats to have a SHAM of an Impeachment Trial. To the Democrats in the Senate, they need to stand firm and have as many witnesses as necessary to PROVE to the American people, of the danger and threat to the Constitution of the United States Donald Trump was and to send a message to future Presidents that conduct such as his is unacceptable and punishment dispensed even when no longer President.

Republicans do NOT want witnesses to protect THEIR MEMBERS from being exposed and very CULPABLE to the violence and storming of the Capitol that occurred on January 6th, 2021. The Democrats must Subpoena former Vice-President Mike Pence as the STAR WITNESS for the PROSECUTION as he was at the center of all the events on January 6th, 2021. If it was not for his actions in following the Constitution and counting the votes under the 12th Amendment while other Republicans in Congress VIOLATED the Constitution by OBJECTING to the Electoral Vote count, which was not in accordance with the 12th Amendment and their actions were TOTALLY UNCONSTITUTIONAL.

John Bloom, Chairman of the Constitution Party of Virginia, appeals to President Joe Biden to present Mike Pence with the highest civilian honor, the Presidential Medal of Freedom for displaying extreme COURAGE and HONOR in carrying out his Constitutional Duties while Donald Trump incited a MOB to go HUNTING for him when they stormed the Capitol and shouting "Hang Mike Pence".

The Senators and Representatives that objected to the Electoral Vote count, especially Senators Ted Cruz, Josh Hawley and House Minority Leader Kevin McCarthy, should be EXPELLED from the Senate PRIOR to the Impeachment Trial as they were eminently involved in the events of January 6th, 2021 that led to the violence. There is absolutely NO doubt that all members of Congress that not only violated their Oath of Office to protect, defend and preserve the Constitution of the United States against all ENEMIES both foreign and DOMESTIC but BECAME ENEMIES of the Constitution of the United States by their actions on January 6th, 2021.
