Contact: John B. Bloom, Chairman Constitution Party of Virginia, CPofvirginia@gmail.com, (757)806-8694

SUBJECT: THE CONSTITUTION PARTY RETURNS TO CPAC LED BY THE CONSTITUTION PARTY OF VIRGINIA

The Constitution Party sponsored the Conservative Political Action Conference for the first time last year, and was led by the Constitution Party of Texas, this year the Constitution Party will return to CPAC and led by the Constitution Party of Virginia and its Chairman John Bloom. Last year we were overwhelmed with the response we received from young people. They knew who we were in large part due to social media.

The Democrat Party in the South has evolved from the Party of Segregation and “Blackface” in the 1960s to the Party of INFANTICIDE and abortion on demand today. The Democrat Party of President John F. Kennedy, who said, “Ask not what your country can do for you, ask what you can do for your country” no longer exists in the Democrat Party, but exists in the Constitution Party.

The Republican Party across the country has also evolved as the George Wallace Democrats of the 1960s have become the Donald Trump Republicans of today. The Republican Party of President Ronald Reagan, who said, “Mr. Gorbachev, tear down this WALL” no longer exists in the Republican Party, but exists in the Constitution Party. The Constitution Party should be the political party for ALL Americans that place the Constitution of the United States FIRST, as our Founding Fathers did not believe political parties were necessary, if Americans adhered to the US Constitution, which the Democrat and Republican Parties haven’t.

Mr. Bloom issues this statement in regards to the Constitution Party attending CPAC 2019:

“I appeal to pro-life Democrats and Republicans, President Kennedy and Reagan Democrats and Republicans, Never Trump Conservatives and Federal Employees that pledged to defend and protect the US Constitution against all enemies both foreign and DOMESTIC to join the Constitution Party. I invite all of you to stand with me and other members of the Constitution Party and help put “CONSERVATIVE” back into the Conservative Political Action Conference and bring the US Constitution into CPAC, February 27th – March 2nd at the Gaylord National Hotel in National Harbor, Maryland, and together we can Make America a Constitutional Republic Again!”

Mr. Bloom also plans on having his own program at the Constitution Party Booth in the HUB where people will read excerpts from the Constitution of the United States, including Article II. This article identifies the Constitutional authority granted to the President of the United States, which does not include much power at all, and does NOT grant the President authority to declare a National Emergency to CIRCUMVENT the US Constitution and USURP Congressional power by Executive Order. Mr. Bloom has invited “Constitutionally Correct” blogger Randy Stufflebeam to interview people from the [Constitution Party State Organizations Booth 734](#) as well as any Constitution Party candidate across the country to speak as well. Detailed list of speakers will be provided on February 27th or 28th.

THE CONSTITUTION PARTY OF VIRGINIA THE PARTY OF HONESTY, INTEGRITY, LIBERTY & PROSPERITY!
