SUBJECT: THE CONSTITUTION PARTY WILL PROTECT, PRESERVE AND DEFEND THE CONSTITUTION OF THE UNITED STATES AT CPAC

John Bloom, Chairman of the Constitution Party of Virginia is urging Conservatives that are willing to take a stand to protect, preserve and defend the Constitution of the United State at the Conservative Political Action Conference to join him at Booth 734 in the CPAC HUB. The Constitution Party will be offering an alternative Constitutional Program to that of the REPUBLICAN CPAC Program. Though the Constitution Party has sponsored CPAC two years in a row, CPAC Organizers did not offer the Constitution Party a spot on their program, so Mr. Bloom is organizing a slate of speakers to present REAL Conservative viewpoints not provided by the CPAC Program. Topics will include protecting America's National Security WITHOUT a Border Wall, reading Article I of the US Constitution that defines the powers of Congress and Article II of the US Constitution that defines the LIMITED and severely RESTRICTED powers of the President of the United States and of course Article II, Section 4, the IMPEACHMENT clause. Mr. Bloom will also have his own poll to ask those attending CPAC, "Should Donald Trump be IMPEACHED and REMOVED from office for CIRCUMVENTING the Constitution of the United States and USURPING Congressional Constitutional Authority?"

The Constitution Party of Virginia would like to commend Michigan Congressman Justin Amash for standing up for the US Constitution when he called out Republican members of Congress for NOT FAITHFULLY standing up for the US Constitution. Mr. Bloom urges other republicans as well to take a stand to support the US Constitution:

Mr. Bloom has this message to Members of this current Congress:

"A RESOLUTION to prevent Donald Trump from MISAPPROPRIATING Federal Funds can be VETOED by him, but ARTICLES OF IMPEACHMENT cannot be VETOED. Pass Articles of Impeachment against him for CIRCUMVENTING the Constitution of the United States and USURPING Congressional Constitutional Authority. For Republicans it will be "A Time For Choosing", to protect and defend the Constitution of the United States or Donald Trump. Congressman Justin Amash has chosen the US Constitution, will he be the only Republican to make that choice?"

THE CONSTITUTION PARTY OF VIRGINIA THE PARTY OF HONESTY, INTEGRITY, LIBERTY & PROSPERITY!
