**SUBJECT: CONSTITUTION PARTY OF VIRGINIA VOTES TO DISASSOCIATE FROM THE NATIONAL CONSTITUTION PARTY**

On June 19<sup>th</sup> 2019, the Constitution Party of Virginia voted to disassociate from the National Constitution Party due in large part to the actions of the National Chairman Frank Fluckiger's involvement in the affairs of the Constitution Party of South Dakota, which Chairman of the Constitution Party of Virginia, John Bloom, believe to be criminal, and in any event does not represent the INTEGRITY necessary to build an HONEST political party. As a new party the CPV cannot afford to be corrupt like the Republican and Democrat Parties. Though there remain many good people in the National Constitution Party they have little to no power to enact any meaningful change. They attempted to allow increased participation by promoting a resolution to allow members of the National Constitution Party Committee to vote via internet, Conference Call Systems, not only to be turned away on that point, but to have a vote requiring members of the National Committee to attend in person. This requires members to cover that cost twice a year, making it costly to have a voice in the National CP. In addition the National Constitution Party has earned the stigma of desiring a Theocracy (just look at their [Preamble](#)), though many of the members of the Constitution Party of Virginia are devout Christians, many are not, the CPV has no desire to alienate anyone who has different religious beliefs than our own, as long as they are pro-life and will protect and defend the Constitution of the United States against all enemies both foreign and domestic.

We wish those that remain in the National Constitution Party willing to fight for significant changes within the National Constitution Party all the best and pray they are successful at turning the National CP around with new leadership and new direction, the CPV will consider association again, if those changes are made..

**CONSTITUTION PARTY OF VIRGINIA THE PARTY OF HONESTY, INTEGRITY, LIBERTY & PROSPERITY!**
