This weekend the representatives of the Constitution Party of Virginia, the State Chairman John Bloom, of Newport News, Va. and TWO Constitution Party candidates seeking the Constitution Party Nomination For President: Charles Kraut of Lexington, Va., author of "A Patriots Guide for Taking Back America" and "Will You Help Save Our Country" and like Mr. Bloom a former member of the Republican Party and former member of the US Military and two time Independent candidate for President (2012 and 2016) Sheila "Samm" Tittle, of Fredericksburg, Va., who has a very diverse work history and can relate tto just about anyone and is well versed in the Constitution of the United States.

On **Saturday December 7th**, at 11:00 AM, Chairman John Bloom will be attending the Christening of the USS JOHN F. KENNEDY (CVN-79) at **Newport News Shipbuilding**, as a former US Naval Officer who was stationed aboard the 1st USS JOHN F. KENNEDY (CV-67) whose Chief Engineer was William "Bill" Klemm, Rear Admiral Retired, will also be attending along with other former crew members, making for a nice reunion for him.

On **Monday December 9th at 1 PM**, Chairman Bloom and Samm Tittle will be attending the "God, Family and Guns" Rally at the **Richmond Capitol Grounds**, sponsored by the Virginia First Foundation with President of the Virginia Citizens Defense League, Phillip Van Cleave as a scheduled speaker. This event is to stand up not just for the 2nd Amendment Constitutional Rights of individual Gun Owners, but the Virginia Constitutional Rights as well to deter the State Legislature to pass laws next year that will be both Unconstitutional in regards to Virginia's Constitution and the Constitution of the United States.

On **December 9th at 7:00 PM**, the **Rockbridge County Board of Supervisor's Meeting** has been moved to the **Rockbridge County High School** as they will be holding a Public Meeting on the 2nd Amendment to the Constitution of the United States and Charles Kraut will be attending and representing the Constitution as well as the Party of the Constitution in Virginia, the Constitution Party.

Chairman of the Constitution Party of Virginia would like to take this opportunity to issue this message to local Virginia media:

"I'd like to first thank all the local Virginia Newspapers that published my letters to the editors as well as the local Radio Personalities, Tony Macrini, the voice of Liberty in Hampton Roads, John Fredericks and Joe Thomas for interviewing me over the years, even at the Conservative Political Action Conference. The Constitution Party of Virginia personalities identified in this Press Release have not been invited to speak at the aforementioned events, however Mr. Charles Kraut as a resident of Rockbridge County will be afforded the opportunity to speak at the Rockbridge Board of Supervisor's meeting as a private citizen and resident of Rockbridge County. I appeal to members of the Virginia media to take the opportunity to meet these representatives of the Constitution Party of Virginia and report on them and the Party of the US and Virginia Constitutions.

I'd like to also address the FAKE NEWS emanating from the **REPUBLICAN** Media, that if Donald Trump is Impeached and Removed from office, that we would lose our country as Rush Limbaugh has said or that would REVERSE the 2016 election, that is ridiculous and an OBVIOUS LIE, for REPUBLICAN Mike Pence would be President. The only policy that might change, is the Trump Tariffs would go away, that would not be all that bad for the American people, now would it? The CPV supports the Impeachment and Removal of Donald Trump from office, but NOT for the same reasons the Democrats support it. The CPV believes that the Constitution of the United States is the Supreme Law of the Land and any violation of it, is the HIGHEST of HIGH CRIMES, including circumventing it and USURPING Congressional Constitutional Authority by attacking Syria, taxing the American people by use of tariffs on foreign goods, banning bump stocks, misappropriating funds for Military Infrastructure Projects for his worthless BORDER WALL for Articles of Impeachment, all without Congressional approval and therefore in direct violation of Article I of the Constitution of the United States."
