

FOR IMMEDIATE RELEASE

February 26th, 2020

Contact: John B. Bloom, Chairman Constitution Party of Virginia, CPofvirginia@gmail.com, (757)806-8694

SUBJECT: REAL CONSERVATIVES WILL BE IN CPAC CENTRAL AND AT THE "SUMMIT FOR PRINCIPLED CONSERVATISM"

The Constitution Party of Virginia will provide Alternative Constitutional Programming at the Conservative Political Action Conference. Unfortunately all the candidates seeking the Constitution Party of Virginia Nomination are in IDAHO, preparing for a Constitution Party of Idaho debate this Saturday ahead of their Primary scheduled for March 10th, 2020, for more details contact CP of Idaho Chairman Floyd Whitley at chairman@cpidaho.org. However, representatives from the Shelia "SAMM" Tittle Campaign will be their on Wednesday afternoon and evening as well as all day Thursday, with information and a presentation on her candidacy. In addition the Campaign Chairman of the Charles Kraut for President Campaign and Treasurer of the Constitution Party of Virginia, will have information available from Mr. Kraut's Campaign.

Using the best available Technology, JR Meyers from the new "Life and Liberty" Party will has information available at constitutionpartyva.org or constitutionpartyva.com and will be showing this information periodically during CPAC at the Constitution Party of Virginia Booth. Booth 428, right next to the FOX NATION Booth. John Bloom the Chairman of the Constitution Party of Virginia will also be attempting to establish a Conference Call with the candidates seeking the CPV Nomination. If members of the media want to question these candidates contact Mr. Bloom at CPofVirginia@gmail.com.

Mr. Bloom reached out to the 100% Pro-Life Libertarian Candidate, [Brad Barron](#), challenging Moscow Mitch McConnell, to speak at the CPV Booth. If Mr. Barron is unable to attend the event, Mr. Bloom asked Mr. Barron to provide a Presentation for his Senate Campaign. Mr. Bloom has already endorsed Mr. Barron for Senate and if the Kentucky voters, do not want their taxes going to Planned Parenthood, they can vote for Mr. Barron, who will DEFUND Planned Parenthood. If Kentucky voters do not like the taxing of future generations to support the BIG GOVERNMENT spending of senator McConnell and the Republicans they can vote for Mr. Barron. If Kentucky voters do not want this PERPETUAL Wars of the Republicans and Democrats, they can vote for Mr. Barron. If Kentucky voters would like to RETIRE BOTH Senator McConnell and his wife, Elaine Chao, Secretary of Transportation. This is POLITICAL WELFARE, and why McConnell does Donald Trump's bidding, policy has absolutely nothing to do with McConnell's PRO-TRUMP decisions, it is a political payoff. Kentucky voters have another choice for Senate, Mr. Bloom is working on having another choice for President between the Socialists of the Democrat and Republican Parties.

Mr. Bloom will be leaving CPAC on Friday after he breaks down the Booth as required by CPAC. Last year Donald Trump attended CPAC on Saturday, and disrupted all the CPAC Hub activity, resulting in only two hours available that day. Mr. Bloom expects that Donald Trump will be speaking this Saturday and has absolutely no intention of being around during Trump's Myriad of lies. Instead Mr. Bloom is going to attend the ["Summit on Principled Conservatism"](#) which is a sold out event at the National Press Club, 529 14th Street Northwest, Washington, DC 20045. The list of Speakers are REAL CONSERVATIVES, not like the FAKE CONSERVATIVES that will be speaking at CPAC, that are part of the TRUMP PROGRAM. This event is the REAL CONSERVATIVE POLITICAL ACTION CONFERENCE (CPAC).
