SUBJECT: CONSTITUTION PARTY OF VIRGINIA CHAIRMAN ANNOUNCES WRITE-IN CAMPAIGN FOR FORMER US SENATOR FROM VIRGINIA AND CURRENT CNU PRESIDENT PAUL TRIBLE

In 2016 Chairman of the Constitution Party of Virginia, John Bloom, then a Republican met former US Senator Paul Triple at his residence on the Christopher Newport University President's residence to sign a Republican Presidential Nominating Petition for Senator Ted Cruz. Chairman Bloom asked him if he would consider running for public office again, and Mr. Triple was dedicated to building the Christopher Newport University as its President. When Mr. Triple was a US Senator he was a loyal Constitutional Republican and an ally of President Ronald Wilson Reagan, who Mr. Bloom voted for twice. On Friday, October 16th, 2020 not only did Chairman Bloom, write in the name of Sheila "SAMM" Tittle for President of the United States and David Sandidge for Vice President of the United States, but also wrote the name of Paul Triple, President of Christopher Newport University and former United States Senator and he asks ALL Voters to **write in Paul Triple for US Senate to send a message to the Republican Party that Reagan Conservatives and a message to the Democrats that Reagan Democrats, primarily Pro-Life John F. Kennedy Democrats, are alive and well in the Commonwealth of Virginia.** Ronald Reagan brought this country together when he was alive and he can do it in death as well. Chairman Bloom heard that the Governor of Maryland, Larry Hogan, wrote-in Ronald Reagan for President and stated that was largely symbolic, however if Paul Trimble were to win the US Senate Seat in a write-in campaign, it will send shock waves that will rock the foundations of the Democrat and Republican parties. The Constitution Party of Virginia with their Nominees for President and Vice-President plan on kicking off their "Virginia Tour" appropriately enough at Christopher Newport University on October 28th, 2020.

The "SAMM Train" plans on visiting every newspaper that published a letter Chairman Bloom submitted to them or published an Article the Constitution Party of Virginia. That list of Newspapers that published a Letter to the Editor Chairman Bloom submitted to them includes, the most CONSERVATIVE Newspaper in the Country, "The Washington Times", "the Washington Post", Richmond "Times Dispatch", "The Fairfax County Times", "The Roanoke Times", "The Virginian Pilot" and Chairman Bloom's hometown Newspaper, "The Daily Press. All Members of the media are encouraged to contact Chairman Bloom at (757)232-5999/ CPofVirginia@gmail.com or Sheila "SAMM" Tittle at samm@sammusa.com or SAMM@samm2020.com or (540)846-7399 to schedule an interview with them when they tour Virginia.

Did Donald trump ever state why Kamala Harris who was born on US Soil or Senator Ted Cruz, who had one citizen parent and born on foreign soil were not "Natural Born Citizens"? A "Natural Born Citizen" is quite simply the CHILD of TWO US Citizen Parents at BIRTH, such that their parents could not have undue influence over their child, as they became adults. Simply put our Founding Fathers wanted to avoid DIVIDED LOYALTIES. Under this definition of "Natural Born Citizen", Donald Trump Mother was born in Scotland and became a Naturalized Us Citizen just four years before he was born, **making Donald Trump NOT a Natural Born Citizen** and therefore not eligible to be President of the United States. Is it any wonder that Donald trump has a golf course in Scotland?

America needs another "**BALLOT BOX REBELLION**" like there was in 1994 and Chairman Bloom participated in, but this time there will be **NO Breach** of the "**Contract with America**" by the Republican Party like there was in the years following 1994. The Constitution Party of Virginia's "Contract" with America, is to defend, protect and preserve the **Constitution of the United States** against all **ENEMIES, both Democrats and Republicans, especially Donald Trump and Joe Biden.**
