

CP of Virginia Visits Washington, D.C.

December 1, 2019

On November second, Chairman John Bloom and Treasurer Paul Provance participated in the 2nd Amendment Rally on the lawn of the U.S. Capital Building in Washington. There was a string of speakers, nationally known defenders of the Second Amendment right to bear arms. Topics varied from legal advice on carry, to the need to teach our children gun safety, to a touching story from a woman who used a firearm to defend herself from a stalker.

Crowd listens to speakers in front of the Capital Building.
